

# Charity Race / Pita Pit Regatta July 9TH 10TH

## Let's have fun and go sailing !

FYC will be raising funds for the Fredericton Partners for Youth Sailing School. The money we raise will be spent on funding for deserving Kids to attend sailing school and to purchase equipment. This is the FYC's chance to give something back to our community and promote the sport of sailing.

### **Wanted All FYC Sail Boats Large, Small, Fast and Slow**

This is a great weekend to try racing by crewing or sailing your own boat. It's a lot of fun sailing around the marks in grand lake with a Fleet of FYC boats. Some of the more experienced Race Skippers will be available before the race to help the newer sailors with race rules and strategies. We will also ask the Race Fleet to take on some crew from the sailing school. After the racing everyone will gather at the Club House for a BBQ, socializing and tall tales.

The Charity Race Trophy will be awarded to the boat that raises the most money, so please fill up a sponsor sheet or two.
